OSCA STATEMENT ON AG DEWINE'S EFFORT TO COMBAT OPIATE ABUSE

COLUMBUS, OHIO – OSCA Executive Director, Nicholas Strata, issued the following statement today regarding Attorney General Mike DeWine's decision to file suit against pharmaceutical companies:

“Holding people or companies accountable is good step forward,” said Nicholas Strata, OSCA Executive Director. “Doctors of Chiropractic are leaders in the healthcare industry in providing non-pharmacological care to Ohioans, allowing patients to get high quality care without starting them down a path to addiction.” Strata continued, “Because of this and the growing opioid crisis the OSCA stands ready to share its expertise with the Attorney General on how to combat this opioid epidemic and prevent it from spreading further.”
