OHIO STATE
CHIROPRACTIC ASSOCIATION

January 2019

50 Years of the OSCA!

January 19th is the 50th anniversary of the OSCA!

The OSCA is so excited about this huge anniversary that we will be celebrating
ALL YEAR LONG!

We will be honoring this amazing milestone with information and history of our great organization, and how each and every member has made such a great impact on the chiropractic profession!

We're excited for you to see what we have in store for you, but first we want to know what your favorite memories are! **We are collecting stories, photos, and any other memorabilia that you may have from OSCA over the last 50 years!** We would love to see some of your pictures from events, conventions, and fundraisers! They may even be featured on our Facebook page! **Please send them to us at osca@oscachiro.org.**

To learn more about the OSCA's history, check out our next OnTarget magazine!

"Kick" off the new year making a difference!

Have a sneaker drive in your practice to help fight poverty, by asking your patients to clean out their closets for any sneakers no longer being worn!

No cost or logistics!

The OSCA has partnered with Rippl to help all our members give back, and do a little spring cleaning in the process! Rippl is an organization that is committed to empowering individuals and communities by creating sustainable job opportunities. Through the collection of gently worn sneakers, they provide the means for commerce and development to areas in need. You and your team can help fight poverty by having a sneaker drive in your practice, asking your patients to clean out their closet for any sneakers no longer being worn. Rippl makes it so easy to get involved. When you register, Rippl will send you a sneaker bag in the mail. Every bag comes with a prepaid shipping label so there is no cost or logistics on your end! We would really love for your office to participate, because your help is so important! Because when you give through Rippl, you give more than a pair of sneakers. You're creating inventory for family businesses and merchants in developing areas who would otherwise lack access. And these businesses and merchants are the backbone of their local economies. Sustainable business opportunities are the key to their financial independence and social development. Put simply, where local business can thrive, the community can prosper. From February 1st through April 31st, collect as many gently used sneakers as you can! Let's start 2019 off right! [Click here to sign up!](#)

Insurance Updates

CareSource Take Backs on Acupuncture: Last year, the OSCA was made aware of improper take back requests from a third party on behalf of CareSource. These requests were for acupuncture services. After a meeting with the OSCA, CareSource acknowledged the error and has reversed all take back requests. Any office that has received these requests, please disregard them and continue to bill acupuncture services per usual.

BWC Timed Service Codes Update: The OSCA continues to work with the Ohio Bureau of Worker's Compensation on their policy of Timed Service Codes. While there is no start date, as of yet, for this new policy to go into effect, the bureau sent out a message to all the MCOs that they should not be denying any claims on the basis of this policy. If you received any improper denials, they should be reversed and DCs should see claims paid in the near future.

Medicare 2019 Ohio Part B Physician Fee Schedule:

X-ray and Caresource Take Backs: The OSCA has also been made aware of X-ray take backs from Caresource. The OSCA is currently meeting with the MCO to sort this issue out. We will let you know as soon as we know next steps.

Get Involved!- Do you want to make an impact on chiropractic? There are many ways for you to get involved right now! **The OSCA has spots open on both the Public Health Committee and the Payment Policy Advisory Committee.** If you are interested or have any questions about the committee, please email us at osca@oscachiro.org. We also have our **Advocacy Day** at the Ohio Statehouse on Tuesday, March 12th. Speak directly to legislators to help them understand why pro-chiropractic legislation will benefit all Ohioans! It's free to attend, so **register today!**
